

2006 Summary of Changes to Access Plan Instructions

1. In all cases, contact information was changed to show Kembra Springs as the analyst responsible for receiving and reviewing access plans.
2. Proposed changes to 20 CSR 400-7.095 are shown. Changes will be published Jan. 29, 2006 and effective Feb. 28, 2006.
3. The codes to use for identifying mental health facilities have been changed in the instructions to correspond to the changes in 20 CSR 400-7.095. See specifically page 13 of the instructions.
4. A disclaimer statement was added to the checklists consistent with other checklists issued by MDI.
5. 2 items were added to the checklist for completing the written portion of the access plan.
6. Instructions, guidelines and checklists have been edited for technical accuracy.
